JUNGLE PARC MALLORCA

DISCOVER THE LARGEST TREE ADVENTURE PARK IN THE BALEARICS!

Located in the shade of nine hectares of pine forest in Santa Ponsa, 500m from the beach, with lots of different circuits and 134 suspended platforms. Some circuits last around an hour, without touching the ground!

You will be moving safely from tree to tree, at varying heights from the ground, using bridges, ropes, vines and lots of long zip wires!

The Piratas circuit is for children of 4 years and above. And there are two circuits for adults only (Explorador & Extremo).

ANIMAL EXHIBITS

Marineland Mallorca offers three different exhibitions: **dolphins, sea lions** and exotic birds.

AQUARIUMS

The depths of the Indian and Pacific oceans are waiting for you, including corals, clown fish and turtles.

DOLPHIN ENCOUNTERS

RESERVA PARK

Reserva Park is a wildlife park offering an interactive safari-like experience, allowing visitors to observe and learn about diverse animals. The park features authentic African architecture, decorations, and landscaping, adding to the immersive experience. Additionally, the park offers family-friendly activities, playgrounds, zip-lines and educational programmes.

QUAD TOUR

A three-hour tour, driving quad bikes, under instruction, over stony paths and through sand dunes, on gravel roads, rocks, sandy soil and dry river beds.

Passing through forests, instructors show visitors how to master rocks, extreme inclines and subsidence. There are a couple of stops along the way, for cliff jumping in the sea, snorkelling and swimming.

KARTING

*Karting Magaluf has
been open for 40
years and has karts
for all ages*

Palma aquarium

This above-average attraction's main tank houses 11 sharks, but there's more. There is snorkelling with rays from age 3+, diving with rays from 8+, and diving with sharks from 10+, for an unforgettable experience.

It is also possible for youngsters to 'spend the night with sharks' sleeping next to the large windows.
